## Please give us your smile!!!!

Hello everyone. How are you doing?

We appreciate that you are reading this because would like to ask a favor of you this time!!

We have one project hoping more and more people become happier.

Please look the below.

This is our project.

**WE ARE  
GENKI MAKER!**

### STEP 1

Your Smile

1,000 grain of rice

### STEP 2

Smile x 10,000 people

10,000,000 grain of rice

### STEP 3

Provide it to people who are difficult to get food constantly because of economic situation.

### STEP 4

They may be in vigor by food and will enjoy their life more!!

We have started this project for this reason.

Why do we choose pictures of smile? It is because it makes everybody happy!

When you see smile, you cannot angry, don't you?

“GENKI” means “vigor” in Japan.

As we provide this “GENKI-rice” to people around the world, they may be in vigor and could enjoy the work or the play more. We believe it and started the project.

When you take pictures of you, your family or your friends, please send us that by e-mail!

We need your help to success this project and help as many people as possible.

Hope you understand our aim and cooperate with us!!

If you have any further questions, please contact to us anytime.
