## MESSAGE TO OUR VALUED CUSTOMERS

**DONATED ENVIRONMENTAL EDUCATIONAL MATERIALS TO KANAZAWA CITY; AWARDED by MAYOR as NPO JAPANESE VENOUS INDUSTRIAL RESEARCHING CENTER!!!** On August 26<sup>th</sup> our president, Mr. Norihiko Kondo was awarded for being a director of NPO Japanese Venous industrial researching center. Since our company acquired a grant – in – aid when holding 2<sup>nd</sup> International Recycling Conference in last Feb, as a return favor we donated 400 environmental educational materials for children in our city of Kanazawa; books called “まほうのクルマ工場 factory of magical cars” and “地球の秘密 secrets of earth.” Also, DVD “神の子たち children of God” concerning children in Manila. Those materials were sent to elementary, junior high school, and public libraries in city to help not only children but adults to learn environmental problems.

## OUR BRANCH IN HIMEJI, JAPAN

Hello. I'm Shinomiya as a head of our branch in Himeji in Japan. Since when we established the point, 4 years have passed already. At the beginning, we didn't have many staff, but now 4 staffs are working all together. We visit Okayama, Hyogo, Osaka, Wakayama, and Nagoya to shop engines and parts usually supported by 14 companies. We also welcomed buyers from 2 countries to load container for every month. Additionally, we load about 5 containers needed from other countries as well. We are excited to work for each container every time as a good team!

## EXPANDING FOR FOREIGN BUSINESS

In July we established a Japanese – Thai joint company aiming for more detailed business for local company in Thailand. In near future we are also planning to expand our business in Africa, Europe, and Malaysia. If you have business in Thailand, please have a contact with our following branch.
